

RESOLUTION NO. 136/90  
FOR APPLICATION FOR PERMISSION TO CONSTRUCT EXTENSION TO THE  
WATER DISTRIBUTION SYSTEM: RE STATION 15

WHEREAS, pursuant to the requirements of the Union Hill Water Association, King County Fire Protection District No. 34 is required to complete an extension to the water distribution system fronting the property on which Fire Station 15 is to be located;

WHEREAS, in order to complete the extension to the water distribution system an application must be submitted to the Union Hill Water Association; and

WHEREAS, pursuant to motion duly made and seconded to approve the attached Application for Permission to Construct Extension to Water Distribution System Within or to a Platted Subdivision; now therefore

BE IT RESOLVED that King County Fire Protection District No. 34 execute the original Application for Permission to Construct Extension to Water Distribution System Within or to a Platted Subdivision and

FURTHER BE IT RESOLVED that the Chairman and Secretary are hereby authorized and directed to execute the aforementioned agreement.

DATED this 15th day of October, 1990.
