KING COUNTY FIRE DISTRICT 34  
FIRE SERVICES FORUM  
June 12, 2007

- I. Call to Order – The Fire Services Forum of the Board of Fire Commissioners of King County Fire District 34 and the City of Redmond City Council was called to order on Tuesday, June 12, 2007, at 7:30 p.m. at the City of Redmond Council Chambers, located at 15670 N.E. 85<sup>th</sup> Street, Redmond, Washington.

II. Roll Call

Present:

KCFD 34/Redmond Fire  
Chairman Thomas Johnston  
Commissioner Sherman Colson  
District Secretary Anne Carlson  
Fire Chief Tim Fuller  
Deputy Chief Andy Hail

City of Redmond  
Mayor Rosemarie Ives  
Council Member Kim Allen  
Council President Richard Cole  
Council Member John Marchione  
Council Member John Resha  
Council Member Nancy McCormick  
Council Member Jim Robinson  
Council Member Pat Vache

Absent-Excused: Commissioner Peter Lucarelli

Others Attending: District Secretary Anne Carlson  
Fire Chief Tim Fuller  
Deputy Chief Andy Hail

- III. Emergency Vehicle Access Corridors – Commissioner Colson described that the commissioners are working on opening six corridors in the Fire District to emergency vehicle access. These corridors would join neighborhoods, creating better response to neighborhoods with deadend streets. The District's first priority is north of Station 15 and Alcott Elementary. Another location is on the Overlake School property where a gate exists but needs to be modified for fire department Opticom use. Other corridors are also being researched. There has been no controversy about the corridors at this time. The commissioners will be assuring the public that the corridors will not be made into streets, and they will make the gates aesthetically pleasing. An Opticom is a strobe system that changes the traffic light cycle to green for the emergency responder and red for the public.
- IV. Levy Lid Lift – The commissioners are planning to send out a newsletter before the absentee ballots are sent out. The District now has a six-year financial forecast that shows they are in a deficit spending situation but with good reserves. Their financial plan funds the access corridors and a new fire station that would replace Stations 13 and 15. The last levy failed at \$1.50 due to difficulty in educating the public. This lid lift will be for an increase of \$0.14 to \$1.35. Operating costs are exceeding the 1% levy increase allowed. The City's levy lift will include 18 firefighters to staff aid cars at Station 12 and Station 17. Funds for the construction of Station 17 are already dedicated.
- V. Adjournment – Meeting adjourned at 7:45 p.m.
